

Quality ShadeZ

Product Quality Assurance

QUALITY SHADEZ aims to be the highest quality company on the market while still offering the best customer service. We take pride in our products and the relationship we have with our supplier.

If you experience any of the following issues, **WE** will install the repair/remake:

- 1) Shipping Damage
- 2) Manufacturing Error on our Part

This is unheard of in the industry, but we value you as a customer and your loyalty moving forward. Instead of you taking up your valuable time for these issues, we will personally handle the install on your behalf without any trip charge or install charge.
